

Sourcetec Industries Application Case Studies WELDING FUMES AND GRINDING DUST

Project: Toromont

Problem: Welding Fumes

Solution: Sourcetec SAP201008
(Fume Extraction Arm 8", 20ft long
c/w Exhaust Fan)

Result: Clean Air Work Environment

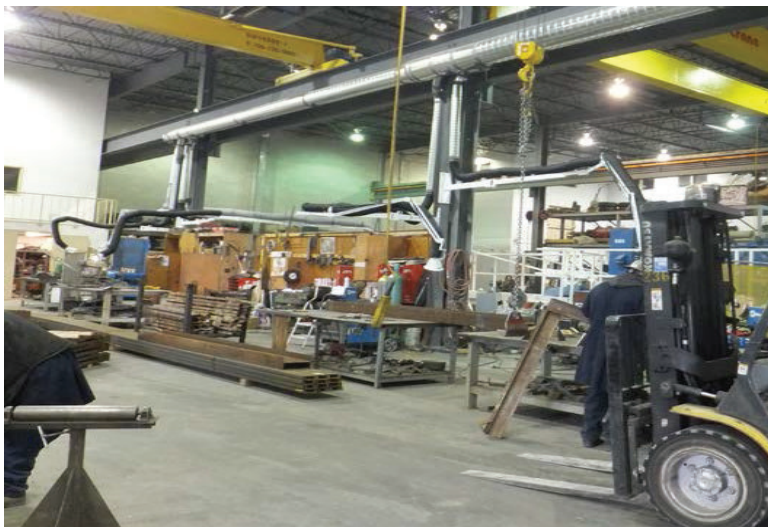

Project: Waste Management

Problem: Welding Fumes and Grinding Dust

Solution: (5) Sourcetec SAR281006 (Fume
Extraction Arms 6" Diameter 28' Long)

Results: Better Work Environment

Project: Alliance Forming

Problem: Welding Fumes & Grinding Dust

Solution: (2) Sourctec SAP161006, Two
SAR221006 & One SSAP351010 (Fume
Extraction Arms)

Results: Clean Work Environment
